Hi Team!

Sofia here! I am a photographer, model, actor, and creative producer based in NYC. I'm a published freelance writer for B&H Photo, and have been featured in and quoted by InStyle Magazine.

With my social media platform as a fashion/lifestyle creator, my main focus is to create conversations & content relating to fashion, creativity, mental/physical health, and gluten-free living.

My background in Camera/Video Production matched with my BFA in Musical theatre allows me to have a hands on approach, with storytelling from both sides of the lens. Check out my blog for more.

For collaborations, please email me at skbelhouari@gmail.com & CC socially.sofia.bel@gmail.com. Let's get creative!

*xoxo,
sofia*
